

How to Change Text Size

We've designed WorkforceSkills.org to let you change its text size through your web browser's settings. Most browsers include functionality to let you increase or decrease the text on a web page.

For example, to increase text size:

Chrome

In the Page menu, select Zoom. Zoom > Larger
Windows Shortcut: Ctrl++

Firefox

In the View menu, select Zoom. View > Zoom > Zoom In

Internet Explorer

In the View menu, select Text Size. View > Text Size > Largest

Netscape

In the View menu, select Text Size. View > Text Size > Increase
Macintosh shortcut: Command+
Windows Shortcut: Ctrl++

Opera

In the View menu, select Zoom. View > Zoom > %
Macintosh Shortcut: Command+
Windows Shortcut: + or o

Safari

In the View menu, select Make Text Bigger. View > Make Text Bigger
Macintosh Shortcut: Command+

No Web Browser Endorsement

We at WorkforceSkills.org do not endorse specific web browsers and do not recommend one browser over another. While some common browsers are included in this page, mention of a specific browser does not imply endorsement or recommendation.

WorkforceSkills.org Accessibility Policy

We're committed to providing access to all individuals—with or without disabilities—seeking information on WorkforceSkills.org. To provide this information, we've built WorkforceSkills.org to comply with [Section 508](#) of the Rehabilitation Act (as amended). [Section 508](#) requires that all individuals with disabilities have access to and use of information and data comparable to that provided to individuals without disabilities, unless an undue burden would be imposed on us.
